❧ WELCOME ❧

Welcome to Roncalli Prep at Pope John High School! Fifty years ago Pope John High School welcomed its first freshmen class, fifty years later we begin a new era here at Pope John High. We are excited about our new challenging 8<sup>th</sup> grade program. Before becoming pope, Saint John XXIII's name was Angelo Giuseppe Roncalli. We recognize him by naming our new 8<sup>th</sup> grade program in his honor. These new students will be challenged academically by a vigorous academic program while they are able to make themselves available to all the extracurricular activities offered here at Roncalli Prep.

This summer major improvements were made to the gym including the resurfacing of the gym floor. We have completed the updating of the classroom whiteboards. There is an improved wireless internet system installed allowing access throughout the whole complex, including the academic, administrative and gym/ auditorium wings. We welcome new faculty members and they join the entire faculty preparing for a very interesting and challenging school year. We welcome our largest freshmen class in recent years and a new Tier One AAA hockey program, the Boston Shamrocks. The Shamrocks offer an excellent combination of a quality academic program combined with a highly competitive hockey program.

For those of you new to Roncalli Prep, sports, clubs, and activities are a great way to make new friends and develop new skills. There are over a dozen student activities and clubs this year including the Adventure Club, Campus Ministry, Drama, Diversity Club, Math Team, The Mercury Newspaper, the National Honor Society, Student Government, and Yearbook. New activities are constantly evolving according to teacher and student interests.

Athletics provide competition, physical fitness, and camaraderie. At Roncalli Prep everyone has an opportunity to participate. For girls, we offer soccer, volleyball, winter cheerleading, basketball, softball, and tennis. For boys, we have soccer, cooperative football with Chelsea High School, basketball, baseball, and volleyball. As with extracurricular activities, student interest can create additions to the athletic program.

This handbook contains all essential information about Roncalli Prep at Pope John High School. If you have any questions, please do not hesitate to call us.

We are looking forward to a great school year in 2016 – 2017! 'Unlock' your talents at Roncalli Prep at Pope John and help us grow and prosper!

## ❧ ACADEMIC LIFE ❧

*The Principal is responsible for the administration of the academic program at Roncalli Prep. The following regulations are to ensure the highest quality of academics, creating an environment in which all our students can achieve to high standards.*

### **ACADEMIC INTEGRITY**

We expect honesty in all our endeavors and this basic trust is essential in the task of schooling and all academic work. Homework, tests, quizzes, reports, projects, and examinations must reflect the honest achievement of the student. Misrepresentation of academic achievement in any form (e.g. presenting another's work as one's own, the abuse of technology or plagiarism, or enabling another student to cheat) will be considered a significant violation of our community's standards. A violation should be reported by the teacher to the Principal. At the discretion of the Principal, a violation could result in the student failing the course for the academic quarter and/or being placed on academic probation. The Principal may also recommend disciplinary sanctions up to and including expulsion.

### **ABSENCES**

**EXCUSED ABSENCES** are medical absences accompanied by a doctor's note, authorized attendance at a funeral or participating in a school retreat, field trip or athletic contest

**UNEXCUSED ABSENCES** include family vacations or uncertified illnesses. **If a student exceeds two (2) unexcused absences in a quarter, the student must have specific permission from the Principal to receive course credit. The student will receive an "F" (59 recorded if grade exceeds a 59) for any quarter in which the two (2) unexcused absences occur. The Principal's Office will inform teachers when the limit is exceeded. The limit may be exceeded in some classes and not in others.** Students must bring a note to school explaining the absences. Excused absences will be noted in the agenda book.

### **AGENDA BOOKS**

All students receive an agenda book issued by Roncalli Prep at the beginning of the school year. Agenda books are the property of Roncalli Prep loaned to students. They are to be kept intact; no pages are to be removed. Altered books may be confiscated and replaced at the expense of the student. **ALL STUDENTS MUST HAVE THEIR AGENDA BOOK WITH THEM DURING SCHOOL HOURS.** Any student out of a classroom during class time must have his/her agenda book signed by a teacher. **NO EXCEPTION.** The replacement cost for the agenda book is \$5.00. If a student arrives at school without an agenda book he/she is to report to the Principal for a Day Agenda Page. The \$1.00 fee is refundable upon producing the issued agenda book and temporary pass.

### **CHANGE OF COURSE AND LEVELS**

All course changes and course level changes are processed through the guidance department. Course changes also known as Add/Drop requests are for students who are changing classes. Course Level Change forms are for students who are either moving into a higher or lower level of the same course. A course change for Fall half-year and full-year courses most happen on or before the fourth Friday in September. Spring half-year courses can be changed until the second Friday in February. All course level changes to a higher level must occur on or before the second Friday of the second quarter. All course level changes to a lower level must happen no later than the second Friday in February. There are no changes in the last two weeks of a marking term. The current and receiving teachers must approve of the changes, as well as the parent/guardian and the guidance counselor. All signatures must be present on the appropriate form for the change to occur. Add/Drop forms and Course Level Change forms are available in the guidance office.

### **CLASSROOM BEHAVIOR**

Students are expected to behave in a way consistent with Christian teaching: that implies that they are to be kind and respectful to one another and to their teachers. Teachers are empowered to maintain order and discipline in their classrooms in order to create an atmosphere conducive to learning. Any behavior which is disruptive or disrespectful will result in disciplinary action, initially by the classroom teacher and, depending on the seriousness of the situation, by the Principal.

### **HOMEWORK**

Homework is an essential component of the academic program at Roncalli Prep. Twenty to thirty minutes of homework is ordinarily given in each subject every day. In order to be successful, students should be doing two to three hours of homework daily. This work includes not only written assignments but also reading, study and review assignments. Repeated failure to come to class prepared will result initially in parental contact, academic probation, and ultimately dismissal. Whenever a student misses class due to absence, tardiness, dismissal, an in-school appointment with a guidance counselor, administrator, campus minister, college representative, or the school nurse, the student is responsible for obtaining his/her assignments either from the teacher or a classmate.

### **TEACHER MEETINGS**

Teachers welcome the opportunity to meet with students and their parents. Teachers are available regularly after school to provide extra help for students. Teachers may require students to attend extra help sessions. Work, extracurricular activities, or sports practice are not acceptable excuses should a teacher require a student to come for extra help. Parents can make appointments to meet with a teacher by contacting the Guidance Office or emailing the teacher directly.

## **TUTORS**

Tutoring is provided on an informal and volunteer basis by Pope John students, including members of the National Honor Society. Tutoring arrangements may be made through the Guidance Office.

## **HONORS**

A student may achieve Honors in the following way:

- Principal's List      Average of A-, no grade lower than B+
- First Honors          Average of B+, no grade lower than B
- Second Honors        No grade lower than B-

## **REPORT CARDS**

The first report card is issued in November and is hand-delivered to parents at the scheduled Parent-Teacher Conference. If a parent is not present at this conference, the report card will be mailed home the following day. All subsequent report cards are mailed to the student's parents. Students will not be given the report. Report cards will not be issued to students whose financial obligations are not current. The following grading scale is used:

<i>A</i>	<i>94 – 100</i>	<i>B</i>	<i>84 – 86</i>	<i>C</i>	<i>74 – 76</i>	<i>D</i>	<i>64 – 66</i>
<i>A-</i>	<i>90 – 93</i>	<i>B-</i>	<i>80 – 83</i>	<i>C-</i>	<i>70 – 73</i>	<i>D-</i>	<i>60 – 63</i>
<i>B+</i>	<i>87 – 89</i>	<i>C+</i>	<i>77 – 79</i>	<i>D+</i>	<i>67 – 69</i>	<i>F</i>	<i>59 or below</i>

## **PROGRESS REPORTS**

Midway through each of the four marking periods parents will receive a report of their daughter/son's progress in each of her/his subjects. These reports are available on line. Parents should understand that a passing grade at the time of the Progress Report is not a guarantee that the student will be passing at the end of the marking period.

## **FAILURES**

Students with a grade average below 60 will fail that subject for the marking period. Students could also fail courses for the following reasons:

- Failure due to incomplete work: work not made up from a previous marking period.
- Failure due to excessive unexcused absences during a marking period.

- Failure to complete major course requirements: Students who do not finish a major component of a course (e.g. a research paper, project) could fail the course for the quarter and for the year.

### **INCOMPLETE**

An incomplete indicates that, for legitimate absences, a student has not yet completed the required work in a course. Any incomplete marks for the marking period due to prolonged illness or absence at the end of the marking period should be made up before the issuance of the Mid-Quarter Report for the next marking period. At this time, the “I” will be replaced by a permanent grade; otherwise, the incomplete will become a failure.

### **ACADEMIC PROBATION**

A student may be placed on Academic Probation for any of the following reasons: failure of an academic course for the year requiring summer school, failure of one or more courses during the school year, serious deterioration of academic performance during the school year, or a grade average less than C-. A student placed on Academic Probation due to performance in a specific course must report to that teacher for after school help every week until released by the teacher or the Principal.

### **ATHLETIC/EXTRACURRICULAR ELIGIBILITY POLICY**

A student must be in compliance with MIAA regulations. The effective date upon which a student either is declared eligible or ineligible shall be the day upon which report cards are issued. Previously ineligible students may try out for athletic teams whose try out period falls between marking periods but may not be selected for a squad until they have submitted to the Athletic Director an eligibility form fully completed and signed by all the student’s teachers. To be eligible for the first quarter, an athlete must satisfy the requirement **with final grades for the year**. In addition, all participants in athletic programs must have on file updated physical forms. No student will be allowed to participate without a Massachusetts State Health Form on file.

Students must secure during the last marking period preceding the contest (e.g. second quarter marks and not semester grades determine third quarter eligibility) a passing grade, and full credit, in the equivalent of six traditional year long major English courses (which could be made up of two half year long courses). This means that for a given quarter, no student may be failing more than one academic, half or full credit, course. All courses with designations of College Preparatory, Honors, and Advanced Placement including half year courses will be considered for athletic eligibility.

### **EXAMINATIONS**

All students will take mid-term and final exams which will count for ten percent of the semester grade. Exam grades will be printed separately on the report card. Any student who does not take an exam will receive an incomplete for the appropriate quarter until the exam is taken. Students absent on the day of an exam may be required to submit a medical certificate from a doctor in order to make up the exam.

### **TRANSCRIPTS**

All transcripts of student records are requested from the Guidance Office. Official transcripts will be sent directly to the school or institution that requires it. Only unofficial transcripts will be released to students, "agents," parents, and graduates. If transcripts are going to be mailed to a home address or picked up in person, they will be marked Unofficial. No transcript will be forwarded without the authorization of the student or parent/guardian.

### **SCHOLARSHIPS**

Students must maintain a 3.0 GPA in order to have scholarships renewed.

### **SUMMER SCHOOL**

Any student who fails a course for the year must make up that course successfully. Students who fail a full-year course, but pass at least two quarters may make up the course in an approved summer school or online program. Students who fail a full-year course, but fail more than two quarters, must make up the course for original credit on an approved online or in-person program. The student's transcript will reflect the summer school course and state the grade received in it, but it will not impact the student's GPA. The student's return to Pope John XXIII High School depends on the fulfillment of this requirement.

### **TEXTBOOKS**

Students are responsible for purchasing their own textbooks except as otherwise informed. Books can be purchased at [www.ecampus.com/popejohnhs](http://www.ecampus.com/popejohnhs) or from other students. When purchasing from another student, check the official booklist before purchasing as editions change from year to year. It is expected that students will have all the necessary materials for each class. *Under no circumstances will Pope John be held responsible for lost or stolen books.*

### **WITHDRAWAL**

If a student fails to cooperate with his/her teachers and the policies of the school or is failing in subjects and makes no effort to improve, or in other ways contradicts the mission and values of Pope John, parents may be asked to withdraw the student.

### **ACCEPTABLE USE OF TECHNOLOGY**

Pope John XXIII High School supports the use of the Internet as an educational resource and research tool only. Students using the Internet enter a global community that allows them to garner information from sources around the world. As members of this global community, certain rules are followed.

- Students are to respect all print and software copyright laws. Plagiarism will not be tolerated.
- Students will not breach any privacy laws. This includes accessing any network or files with intent to steal, undermine, destroy, or view information that is not appropriate.
- E-mail or instant messaging of any type is not allowed, nor is the access of any information that could be considered potentially damaging or harmful to the student or others.
- For safety reasons, students will not give out complete names, home addresses and telephone numbers or school information online unless they are registering for college information, SAT, ACT exams, or other educational pursuits. When in doubt, ask a teacher or the media specialist.
- Proper “netiquette” is required at all times. Polite and appropriate language online is expected. The use of racial or ethnic slurs, the hacking or vandalism of equipment, or the transmission or viewing of obscene or offensive material as well as the accessing of inappropriate websites, and the harassment of others will not be tolerated.
- Students should immediately report to a teacher or other school staff member any inappropriate information or correspondence they find.

The use of the Pope John Internet Connection is a privilege, not a right. Inappropriate behavior may result in revocation of this privilege, disciplinary action, and/or legal action. As a member of the Pope John community, students accept full responsibility for their behavior when using the Internet. *By signing the student handbook, students agree to abide by the Acceptable Use Policy above.*

## ❧ CODE OF CONDUCT ❧

*The purpose of the Code of Conduct is to maintain a school climate that supports learning, growth, respect, dignity, and justice. The administration, faculty, and staff of Roncalli Prep respect each individual student and are keenly aware of the needs of our community. The Code of Conduct is intended to provide the good order that is indispensable for the serious pursuit of academic excellence and high moral tone expected at Roncalli Prep. Each person is responsible, through words and actions, for sustaining, nourishing, and honoring a climate of respect and dignity within our community. Under these conditions, we believe our students can flourish as women and men of competence, conscience, and compassion and that our community can be faithful to its mission. The registration of a student at Roncalli Prep is an expressed agreement on the part of parents and students to observe these procedural norms. The Principal is responsible for the ordinary administration of the Code of Conduct and all that entails.*

### **ABSENCES**

A student who is going to be absent from school because of illness or emergency at home should have a parent or guardian inform the school between 7:00 AM and 7:45 AM by calling **617-389-0240 ext. 1600**. No student is to make this call. Please give the following information: student's name, homeroom number, reason for absence, and the identification of the caller. Students who were absent the previous school day must report to the office before going to homeroom to be admitted. Students need a note at that time to have their absence considered an excused absence. Excused absences will be noted in the student's agenda book.

Prolonged absence (more than *three* consecutive school days) may necessitate a doctor's note.

In case of prolonged illness or a pattern of absences, parents should contact the Guidance Office regarding home study. All cases of excessive absences will need to be reviewed by the administration. The administration will reserve the right to require structured/tutorial learning.

Absence on the day of a school function, unless excused prior to the day by the administration, will result in ineligibility for that function. The student may not attend or participate in the function/sport event on the day he/she is absent from school. Students absent on a Friday or day preceding a holiday are ineligible for school related activities without the permission of the Principal.

Vacation Trips: Parents are urged not to take a student out of school during the school year; refer to the calendar when planning vacations at Christmas, February, April, summer, and holidays. Time lost during extended vacations will be counted as part of the two days of unexcused absences. Prior to leaving, students must contact each of their teachers regarding academic responsibilities in each subject. At the discretion of the teacher, assignments may be given. Also, parents must inform the Principal in writing of their vacation plans.

### **TARDINESS**

All students are responsible for arriving at school on time and being in their first period before the bell sounds at 7:49AM. Otherwise,

a student is considered tardy and must serve a one half hour detention on that day. If a student is tardy, she/he must expect to serve detention on that day and must accept the responsibility of re-arranging work schedules, appointments and transportation. No exceptions. Students who are tardy after 11:00 are not eligible for afternoon/evening activities including athletics unless given permission from the Principal.

Excused tardiness is uncommon and will be handled on a case-by-case basis. An example of an excused tardiness would be an emergency medical appointment after which the student brought in documentation on medical letterhead, not a note from home.

Some examples of unexcused tardiness would include alarm clock malfunction, power outages, oversleeping, and any transportation issues such as car problems of a mechanical nature, traffic, parking issues, detours, missed rides, misplaced car keys and so on. The Principal reserves the right to accept or reject any excuse for tardiness, and that decision is final.

### **TRUANCY**

Truancy is unauthorized absence from school, classes, or study periods. Those who are truant are subject to detention, suspension and parent-pupil-Principal conference. Since students are under the jurisdiction of Roncalli Prep from 7:49AM. until dismissal, it is the responsibility of the administration to be aware of the whereabouts of every student during this time. Therefore, no student may leave the school building without the expressed permission of the office.

### **DISMISSALS**

Medical or dental appointments, driver license appointments, trips, etc. should be made outside of school time. If it is necessary for a student to be dismissed, a note signed by a parent must be presented at the office by 7:49AM. Parents must specify reason for dismissal. If it is a doctor or dentist appointment, a card must be presented to verify dismissal. In the unusual circumstance when a college interview must be made during school hours, prior notification and permission from a guidance counselor must be obtained. The Administration determines whether an absence is excused or unexcused.

Students who are feeling ill should speak to a teacher and report to the office. If parents need to be contacted, office personnel will make appropriate arrangements. Student should report to the Main Office first.

### **NO SCHOOL ANNOUNCEMENTS**

On most inclement weather days, Pope John High School/Roncalli Prep is cancelled for the day if the Everett Public Schools are cancelled. Pope John/Roncalli Prep's announcements are separate from the Everett Announcements in the media. In addition, Pope John/Roncalli Prep makes automatic calls to students. **There are days when exceptions are made and Pope John/Roncalli Prep will have school when Everett is closed.** Such occurrences might be when Everett is closed because of cold weather or because of an inability to clear all of their school parking lots (usually the second or third day after a storm). **If Pope John/Roncalli Prep is not**

**listed as closed on TV and you do not get a call, Pope John/Roncalli Prep is open even if Everett Public Schools are closed.** Parents do have the right to make independent decisions depending on where they live and how their sons/daughters get to Roncalli Prep each day.

### **FUNERALS**

When a death occurs within the immediate family of a student, the school will ordinarily send representatives from the student body, to the funeral. Additional students may be invited depending on transportation. A student who is not on school arranged transportation will only be released to parental custody. All students who wish to attend are to bring a note to the office the day before the funeral. Students will return to school immediately after the funeral service.

### **BUILDING GROUNDS**

Students may not leave campus at any time during the school day, extending from the time of morning arrival to the time of final departure. Students violating this regulation are considered truant and will face appropriate sanction. Student may not return to their car during the school day without the express permission of the Principal. A clean campus is to be maintained at all times, and everyone is asked to help keep the building and grounds in good condition. Seniors who have “senior privilege” may leave the school grounds. Seniors must abide by all rules concerning that privilege.

### **SECURITY**

All doors to the school building remain locked during the day. No student should open an outside door for anyone. All visitors to the school must report to the office.

### **PERSONAL ELECTRONIC DEVICES**

Pope John High School’s guideline is to maximize the academic usefulness of electronics while minimizing any potential distractions to the classroom setting. Classroom use of electronics for research purposes must be teacher directed. Laptops and IPADS may be used in the classroom with teacher permission. ELL students may use a school approved translator in class. Any non approved use of the above mentioned devices may lead to termination of permission for classroom use.

Electronic devices including but not limited to cell phones, beepers/pagers, headphones, iPods, tape or CD player use, is prohibited in the classroom. *These items should not be visible on students at any time during class.* A student who does not adhere to proper protocol will be asked to place the device in a designated receptacle for the duration of the period. Failure to do so will result in being reported to the office. If a student has made unpermitted use of his/her electronic device, the student will be reported to the office and

assigned appropriate detention. The student takes all responsibility for any damages to his/her electronic device while it is in the possession of a teacher or administrator. Student electronic devices may be confiscated and remain in the custody of the Principal for an appropriate period of time. All electronic devices are to be turned off in the academic building. Use of an electronic device requires a teacher's permission. Electronic devices may not be used in the corridors.

### **CONTACTING STUDENTS**

In case of emergency or absolute necessity, messages for students may be left with the Main Office. Parents are discouraged from calling on their cell phones or texting students, as this is disruptive to the learning environment, not to mention that it could cause the student to break protocol regarding personal electronic devices, and could result in disciplinary action. Students should follow protocol in the event they need to contact parents.

### **CAFETERIA/FOOD/BEVERAGES**

All food and beverage is confined to the cafeteria and the tiger den. (excluding water) Students are responsible for the cleanliness of the area, appropriate behavior, and proper disposal of rubbish. Students should clean their tables before leaving. Students may bring book bags into the cafeteria but not into the serving area during lunch periods.

Water in clear plastic bottles is permitted in the halls and classrooms. No other food/beverages are to leave the cafeteria. If a student is found with food/beverage in the halls or entering a classroom, he/she will be asked by the teacher to dispose of it. If the student should express an uncooperative response, he/she will be reported to the Principal.

Cultural/curriculum/reward celebrations involving food and/or beverage require permission from the teacher. Food and/or beverages are to be dropped off in the classroom before first period. Any food and/or beverages that are not consumed during the class are to be picked up after school. Also, if a teacher provides edible treats for students, the treat is to be consumed in the classroom.

### **DISCIPLINARY SANCTIONS**

To preserve good order and a learning environment, and as a consequence for violating the community's values, the dignity of individuals and the school's honor, the following levels of disciplinary sanctions have been adopted:

#### **DETENTION**

Detention, lasting either thirty minutes or one hour, is the most commonly used sanction by the Principal. Students must report immediately after school at 2:10 PM to the assigned room on the day detention is assigned. The student must be on time and sit quietly for the duration of the detention in order to receive credit for serving the time. Failure to report will result in additional time being assigned.

Students are assigned detention after school for minor infractions such as: tardiness and dress code violations. Skipping detention or a pattern of minor infractions may result in a student being assigned to after school work detail. Students who are given detention by a subject teacher will serve that detention with that teacher at the end of the day. Refusal to comply will result in referral to the Principal. Any student who does not abide by the regulations of the detention period may be suspended from school until parents and student meet with the Principal by appointment. Saturday detention may also be implemented at the discretion of the Principal.

#### **LOSS OF PRIVILEGE**

There are a number of privileges extended to Roncalli Prep students, including extracurricular activities, use of the library, and social functions. Serious or repeated infractions of the Code of Conduct may lead to a loss of privilege by the student. The Principal will determine all appropriate sanctions.

#### **SUSPENSION**

A suspension is imposed in cases where the administration believes that a temporary separation from school life is necessary. A student may be assigned in-house or out-of-school suspension, for a varying number of days, depending on the infraction. Suspension is the most serious sanction Roncalli Prep can impose short of expulsion, and it will be noted on the student's record. A student who is suspended will be placed on disciplinary probation for the remainder of the year or depending on the violation, for the remainder of his/her career at Roncalli Prep. Any serious infraction of the rules by a student on probation may result in the student's expulsion.

#### **PROBATION**

A student may be placed on probation as a result of a suspension or for lack of cooperation with school authorities as evidenced by repeated infractions of general school guidelines. Students placed on probation will be given the terms of their probation. The student will be required to fulfill the terms and conditions of a contract in order to remain at the school. Depending on the infraction, terms of probation may include ineligibility for school activities and social functions.

#### **EXPULSION**

Expulsion is a permanent dismissal of a student from school. It is employed in extreme situations when a student by his/her behavior demonstrates that he/she cannot function within the desired goals of the school and actually poses a threat to those goals. Once expelled there is no re-entry into the school. A student will be subject to expulsion for any conduct either at or away from school which is of such a nature as to jeopardize the good name of the school, or which is detrimental to the common good, or harmful or offensive to any member of the school community. Two suspensions within one school year or any serious infraction of the rules, e.g., selling stolen books, tampering with fire alarms, vandalism, or stealing may result in the dismissal of a student.

### **MINOR INFRACTIONS**

Violations of the rules in a minor way will result in direct action by the teacher in charge. That action may or may not include a warning for the first offense. Repeated infractions may result in referral to the Principal for detention or loss of privilege.

### **MAJOR INFRACTIONS**

Major violations of the Code of Conduct will result in immediate notification to the administration. A major infraction will be kept on file and reported to the student's parents. Students guilty of major infractions must bring in parents for conference with the Principal. Sanctions may include detention, loss of privilege, suspension, and, in extreme situations, expulsion. After one or more major infractions, the student may be placed on probation and required to *fulfill the conditions of a contract* in order to remain at the school.

### **DISMISSAL FROM CLASS**

A student sent from class for disciplinary reasons is to report immediately to the Principal, whether s/he is told specifically to do so or not. In the event that the Principal is not in his office, the student is to wait outside of the Principal's office until s/he receives further instructions. No student is to return to classes until s/he has seen an Administrator.

### **SMOKING**

Smoking, chewing tobacco or chewing gum will not be permitted anywhere on school property. Roncalli Prep property is considered a smoke free environment. In addition, it is illegal for anyone under the age of eighteen to purchase or smoke cigarettes.

### **SUBSTANCE ABUSE**

A regulation by the Massachusetts Secondary School Principals Association and given due process of law since May, 1993 states: "No student is permitted to imbibe, to have imbibed, nor to have in his/her possession any alcoholic beverage or drugs while in school or while attending any school activity, whether or not the activity takes place on the school premises." Violation of this rule will result in disciplinary action by the administration. This action at least will involve suspension from all social activities for the rest of that school year and, in accordance with MIAA policy, athletic activity, whichever is more severe. Students may be mandated to undergo counseling and/or rehabilitation for drug or alcohol related problems. Failure to comply may result in an immediate suspension. At school activities, students may be remanded to police in attendance. Parents may be asked to have students tested for the presence of drugs or alcohol by the school administration. The sale or distribution of drugs or alcohol will result in police involvement and is probable cause for expulsion. The school administration reserves the right to ask students to empty their pockets, purses or book bags on reasonable suspicion of a related offense. Refusal could result in expulsion.

**WEAPONS**

The possession of a dangerous weapon on campus or at any school-related activity makes the student liable for expulsion from Roncalli Prep. Weapons include guns, knives, clubs, bats, chains, or anything used for the purpose of a weapon.

**HARASSMENT**

Roncalli Prep is committed to providing an educational environment that is free of all forms of harassment: sexual, racial and prejudice in any form. Harassment is completely unacceptable and will not be tolerated. Any act or comment that discriminates against another member of the community is a serious violation of our philosophy and mission. As Christians, we are required to display an openness and compassion to all people, regardless of race, sex, religion, age, national origin, or of any quality that marks each of us as unique. Violations are considered major infractions.

### ***Policy on Sexual Harassment***

#### **I. Policy**

Roncalli Prep is committed to providing an educational environment that is free of sexual harassment which is completely unacceptable and will not be tolerated in any form. It is also a violation of this policy to condone sexual harassment by another person. For purposes of this policy to “condone” sexual harassment means to participate in such harassment by inciting, encouraging, fostering or otherwise giving support or approval to that harassment. Also prohibited is any retaliation against any other person because s/he complains of sexual harassment or assists the school in an investigation of harassment and any intimidation, coercion or other attempted interference with an investigation of a harassment complaint. The school will take seriously all complaints of sexual harassment, the condoning of sexual harassment or retaliation and will have each such complaint thoroughly investigated.

#### **II. Types**

##### **A. Sexual Harassment by Students**

Students are prohibited from making unwelcome sexual advances or requests for sexual favors and from engaging in any other verbal or physical conduct of a sexual nature when those advances, requests or conduct have the purpose or effect of unreasonably interfering with the education of another student or the working environment of any employee of the school by creating an intimidating, hostile, humiliating or sexually offensive educational or working environment.

As noted above, any condonation of the sexual harassment of a student and any retaliation against a student because he complains of sexual harassment or assists school investigation of such complaint is also prohibited.

##### **B. Sexual Harassment by a School Employee**

It is a school violation for any teacher, administrator or other school employee, male or female, to sexually harass a student. For purposes of this prohibition, sexual harassment means any sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature.

When submission to or rejection of such advances, requests or conduct is made either explicitly or implicitly a term or condition of the provision of educational benefits, privileges or placement services or as a basis for the evaluation of academic achievement; or

When such advances, requests or conduct have the purpose or effect of unreasonably interfering with an individual’s education by creating an intimidating, hostile, humiliating or sexually offensive educational environment.

Any condonation of the sexual harassment of a student and any retaliation against a student because he complains of sexual harassment or assists the school investigation of such a complaint is also prohibited.

#### **III. Examples and Further Policy Discussion**

Whether particular language constitutes sexual harassment depends upon the circumstances of the incident and will be determined by the school on a case-by-case basis. The following are, however, some examples of language and conduct which all students of the school are cautioned to avoid. This is not an exhaustive list.

- comments to, or about, any student or school employee or his or her appearance that are sexually graphic or would otherwise tend to be degrading
- any physical conduct of a sexual nature
- jokes or other remarks with sexual content that is graphic or may otherwise be offensive to others
- sexually suggestive sounds or gestures
- display of objects, posters, or pictures of a sexual nature

#### **IV. Procedure for Complaint and Investigation**

If any student believes that he has been subjected to sexual harassment, whether by a student, a school employee or any other person who comes on school property with permission, or that he has witnessed the sexual harassment of another, the student should report the incident promptly to the President or Principal.

A complaint of sexual harassment by a student, or by a person on the student's behalf, may also be made to any counselor or teacher. A counselor or teacher who receives such a complaint will notify the appropriate administrator to initiate the investigation.

It is the policy of the school to have all complaints of sexual harassment promptly and fully investigated and to take any steps necessary to remedy the situation.

Normally, the investigation of a complaint of sexual harassment will be conducted by the President or Principal and will include separate private interviews with the complainant, each person accused of harassment and each witness, if any. The interview will ordinarily be documented by the administrator conducting the investigation, but those interviewed may also be asked to provide a written statement. All students are expected to cooperate fully with any investigation of sexual harassment. Information provided during an investigation of sexual harassment will be treated as confidential. This means that information will be shared with others on a need-to-know basis only. The parent or guardian of the complainant may be notified. In appropriate circumstances, as determined by the school, the accused may be informed of the identity of the complainant or witnesses, but, in those circumstances, the accused will be cautioned against reprisals or recrimination or any attempted intimidation or coercion of the complainant or witnesses. At the conclusion of the investigation, the administrator will prepare a report, which will be shared with both the complainant and the persons accused of harassment.

#### **V. Disciplinary Action**

Any student found to have sexually harassed another individual is subject to disciplinary sanctions, up to and including suspension and permanent exclusion from the school.

Any retaliation, discrimination or other adverse action, such as intimidation, threats or coercion, taken against a student or school employee because s/he complains of sexual harassment will also result in disciplinary sanctions, up to and including suspension or permanent exclusion from the school.

Any student found to have condoned sexual harassment by another may, depending upon the extent his/her participation, be subject to disciplinary action.

## **HAZING**

In accordance with the laws of the Commonwealth of Massachusetts (Chap. 536, 1985) the practices of hazing and other initiation methods are strictly forbidden for any individual student. Any student involved in the practices of hazing or other initiations methods will be immediately suspended and will be subject to any court action resulting from his/her behavior.

*In compliance with Massachusetts General Law, Chapter 536, An Act Prohibiting the Practice of Hazing, Roncalli Prep requests all parents and students to read the laws presented below and to cooperate in its implementation. Student organizers and participants in hazing face suspension and possible expulsion. In signing the accompanying response form, parents and students pledge to comply with this law.*

### **An Act Prohibiting the Practice of Hazing**

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows: Chapter 269 of the General Laws is hereby amended by adding the following three actions:

The term “hazing” as used in this section and in sections eighteen and nineteen, shall mean any conduct or method of initiation into any student organization, whether on public or private property, which willfully or recklessly endangers the physical or mental health of any student or other person. Such conduct shall include whipping, beating, branding, forced calisthenics, exposure to the weather, forced consumption of any food, liquor, beverage, drug or other substance, or any other brutal treatment or forced physical activity which is likely to adversely affect the physical health or safety of any such student or other person to extreme mental stress, including extended deprivation of sleep or rest or extended isolation.

Section 18. Section 19. Each secondary school and each public and private school or college shall issue to every group or organizer under its authority or operating on or in conjunction with its campus or school, and to every member, plebe, pledge, or applicant for membership in such group or organization, a copy of this section and of sections seventeen and eighteen. An officer of each such group or organization, and each individual receiving a copy of said sections seventeen and eighteen shall sign an acknowledgment stating that such group, organization or individual has received a copy of said sections seventeen and eighteen.

*Open John XXIII High School*

Each secondary school and each public or private school or college shall file, at least annually, a report with the Regents of Higher Education and in the case of secondary schools, the Board of Education, certifying that such institution has complied with the provisions of this section and also certifying that said school has adopted a disciplinary policy with regards to the organizers and participants of hazing. The Board of Regents, and in the case of secondary schools, the Board of Education shall promulgate regulations governing the content and frequency of such reports, and shall forthwith report to the attorney general any such institution which fails to make such reports.

Bullying and cyber-bullying may occur in and out of school, during and after school hours, at home and in locations outside of the home. When bullying and cyber bullying are alleged, the full cooperation and assistance of parents and families are expected.

For the purpose of this policy, whenever the term bullying is used it is to denote either bullying, or cyber-bullying.

Any student or staff member who knowingly makes a false accusation of bullying shall be subject to disciplinary action.

Parents or guardians are encouraged to report an incident of bullying as soon as possible.

School staff shall immediately report any instance of bullying witnessed or become aware of to the Principal.

*In Compliance with Massachusetts General Law Chapter 71, Section 370, 2010*

## ❧ STUDENT LIFE ❧

*Roncalli Prep is a community committed to academic excellence and service to others. Spending such a significant portion of our lives together, it is important that everyone abide by certain guidelines to facilitate our sense of community. Recognizing the uniqueness of each student and the fact that education happens in and out of the classroom, we encouraged everyone to become involved in extracurricular and athletic activities.*

### **RESPECT OF PERSONS**

At Roncalli Prep, we expect students to be respectful of themselves and others as persons created in the image of God and endowed with an inherent dignity. One's respectfulness is reflected in observable behavior such as conduct in the classrooms, corridors, library, cafeteria, and at all school-related activities, on or off campus. Behavior towards other members of the community should always indicate an understanding of Pope John's commitment to create a truly Christian community. The following are considered serious violations of the rights of others: vulgar, profane or obscene language, sexism, racism, bullying, and fighting. These are examples of the many forms that disrespect can take, and disrespect of any kind will sanctioned according to the Code of Conduct

### **RESPECT OF PROPERTY**

Respect for every kind of property is a prime requisite of a good citizen. To deface or damage the building, equipment, furnishings or grounds is a form of stealing. Restitution will be demanded. Accidental breakage or damage should be reported at once to the class teacher or to the homeroom teacher.

### **DRESS CODE**

How we dress makes a statement about the type of community to which we belong. The goal of a dress code is to create in the student an awareness of appropriate dress, and to eliminate distractions caused by outlandish or inappropriate attire. Studies have shown that schools adhering to a dress code are also higher achieving.

All students at Roncalli Prep are required to wear a school uniform that meets the requirements noted below. Our students are the public face of Roncalli Prep and we hope that you wear your uniform with pride and respect. Students are expected to be well groomed and neatly dressed at all times during the school day and at all school functions both on and off campus. Student compliance with the dress code demonstrates respect for you and for the Roncalli Prep community. The Roncalli Prep administration makes the final determination regarding adherence to the Roncalli Prep Dress Code.

**DAILY ANNOUNCEMENTS**

Every school day begins at 7:49 AM with morning prayer, the Pledge of Allegiance and daily announcements. Students should be seated in their first period before the first bell in order to participate. Announcements are the primary source of communication regarding school events and activities, and students are responsible for the information conveyed; for this reason students should be quiet, and always listen attentively to announcements during their first period.

### **ASSEMBLIES**

The student body will regularly gather for assemblies in the auditorium for liturgies, lectures, and cultural experiences. At all times a student's conduct should be refined and courteous. Whether guests are present or not, each student is personally responsible for the impression made by the school as a whole. Any boisterousness behavior or talking during the programs will be sanctioned appropriately.

### **HALL PASSES**

Students are not permitted in the halls during class periods unless they have a signed agenda book from a faculty member. Students are permitted to be on all floors of the building except the fifth. Violation of this rule will be severely dealt with. Any student who plans to go to the guidance office, campus ministry office, or the media center must obtain a signed agenda book from the appropriate office. No student should absent herself/himself from a class or a study period without advising the teacher in charge of her/his whereabouts and presenting the appropriate pass. Students who are to be dismissed early should have a signed agenda book from the Principal.

**LOCKDOWN...** is declared when an immediate reaction to a situation is not needed and time is available to evaluate the appropriate response, or there is a perceived greater threat to anyone who is outside the classroom.

**LOCKDOWN - Response: NO ONE LEAVES THE ROOM.**

- \* Classroom doors are closed and locked where possible. Lights turned out.
  - \* Disregard school bells.
  - \* If there is an intruder in the building and you hear the announcement "CODE RED" instruct students to "take cover" against nearest wall away from windows and door. Instruct students to face wall so that eye contact cannot be made.
- This situation is unstable, and the risks are too great to have anyone moving about the school until the emergency personnel arrive and assist in the assessment of the incident. The Administration will monitor areas outside the classroom.

### **LOCKERS AND PERSONAL PROPERTY**

Each student receives a locker, which must be kept locked at all times. The responsibility for loss of books or personal articles is placed on the student. Under no circumstances will the school be held responsible for the loss or theft of money, cell phones, books, or valuables or any other item of a personal nature. Lockers are the property of the school and as such may be inspected by school authorities at any time. Students will be fined for writing on or otherwise damaging lockers. If a student is concerned about carrying a large sum of money, s/he may request the MAIN OFFICE personnel to store it for her/him for the day.

### **CHANGE OF ADDRESS**

Parents should notify the Main Office in writing of a change of address and/or telephone number in order to maintain good communications.

### **MBTA**

Student Charlie cards are available in the main office.

### **FIRE DRILLS**

A fire evacuation plan is posted in each room. Students should become familiar with it. When the fire alarm sounds, students will immediately leave the room and proceed outside. Silence is required during a fire drill. Students, accompanied by a teacher, are to remain 50 feet away from the building until the signal is given to re-enter. Students are requested to remain with their own class during a fire drill. According to the Fire Department chapters, "a person who pulls a fire alarm shall be punished by a fine of not less than one hundred dollars, or more than five hundred dollars, or by imprisonment in a jail or house of correction for not more than one year." Any student pulling a false alarm will be held accountable, be subject to expulsion and sanctioned by the fire department.

### **FIELD TRIPS AND OUTINGS**

All school-sponsored trips and functions must have approval of the administration. Parents allowing a student to go on a field trip/outing must give written permission. Every student must have an official permission slip on file in order to attend. Every trip is an extension of school policy and all school rules are in effect unless otherwise noted. Students should ordinarily be in dress code for field trips. No student is to drive in a private car to a school-sponsored trip.

### **ACCIDENTS**

Any accident occurring on school property must be reported to the office immediately. Parents will then be notified. Students are required to have on file the telephone numbers that can be used to locate parents or guardians.

### **COUNSELING**

Guidance services are available for every student. Every student is assigned a Guidance Counselor who will assist with educational placement, interpretation of test scores, occupational information, career information, academic assistance, help with home and/or social concerns, or any other question the student may feel s/he would like to discuss. Students wishing to visit their Guidance Counselor should make an appointment in the Guidance Office. If an emergency arises, a student may go to the Guidance Office with the permission of the classroom teacher.

### **HEALTH SERVICES**

If a student becomes ill during class, s/he may secure a pass from the teacher to go to the Nurse's Office. If the student is unable to return to class, arrangements will be made to send the student home after the parents have been notified. The nurse is available from 7:30 – 10:30 each day. Medications that are to be taken during the school day should be discussed with the nurse.

### **MEDICAL CONDITIONS**

Any medical condition, especially those that restrict a student's physical activity or require medication, should be made known to the Guidance Office through the Confidential Guidance Form, who will disseminate the information to the administration.

### **LIBRARY MEDIA CENTER**

The Library Media Center is the pivotal research area of the school. Information access is available through newspapers, periodicals, books, and on-line technology. Located on the second floor, the center is open daily from 7:30 AM – 3:30 PM.

### **CAMPUS MINISTRY**

The development of the spiritual life of the student is an essential feature of education at Pope John. To this end, in addition to theology courses, the Campus Ministry program provides a vital liturgical life with frequent opportunities for Mass, retreats, the Sacrament of Reconciliation, and other prayer experiences. Class retreats are organized throughout the year and all students are expected to participate fully. Christian Service opportunities are made available throughout the year, and all students are encouraged to participate on a regular basis.

### **STUDENT ACTIVITIES**

There are a wide variety of student activities available to the student body. All students are encouraged to participate fully in the life of the school through extracurricular activities and athletics. Some of the many clubs and activities available to students:

Mock Trial Club	Book Club	Newspaper	Adventure Club	Math Club	World Travel Club
Drama Club	National Honor Society	Yearbook	Student Government	Ambassador Club	

Students who are interested in forming a new club can make requests to the Principal.

### **NATIONAL HONOR SOCIETY**

The National Honor Society is established under the auspices of the National Association of Secondary School Principals to provide recognition of high school students who have clearly distinguished themselves in school and community for scholarship, character, leadership, and service. Sophomores, juniors, and seniors who have achieved a cumulative weighted average of 3.7 and have demonstrated character, leadership, and service will be invited to apply. The NHS Faculty Committee will review candidates' applications, including their essays, and membership will be extended to all who meet all of the relevant criteria. Students who transfer to Pope John and have been inducted into the NHS and are members in good standing automatically qualify for Pope John's Honor Society.

### **STUDENT GOVERNMENT**

Student Government includes student body officers and class officers. Student Government meets on a regular basis to improve the environment of the school by providing social activities, service to the school, educational assembly programs, etc. It also serves as the liaison between the student body and the administration for instituting changes in school policy. All prospective candidates must meet the following criteria for nomination:

- Maintain an overall 2.5 GPA or better.
- Nominated by five teachers and the signature of the Principal.
- Not currently on academic or disciplinary probation...students can be asked to leave if academic or disciplinary problems occur during the school year.

Elections will be scheduled in the spring for student body officers and sophomore, junior, and senior class officers. Freshman class officers and homeroom representatives will be elected in the fall.

### **ATHLETICS**

Pope John offers a full interscholastic sports program which includes soccer, football (co-op with Chelsea High School), basketball, volleyball and baseball for the boys; volleyball, soccer, basketball, softball, winter cheerleading, and tennis, for the girls. Roncalli Prep adheres to the rules and regulations of the Massachusetts Interscholastic Athletic Association.

**ELIGIBILITY ... SEE PAGE 8**

#### **EQUIPMENT**

Equipment is loaned to athletic program participants for their use and safety. While responsible for the equipment, participants

should keep it in the best condition possible. Any equipment lost or damaged shall be paid for by the individual to whom it was issued. All equipment should be returned to the athletic director within seven days of the season's end.

**INSURANCE**

The parents of all athletic participants must be mindful of the necessity for adequate insurance coverage for their daughter or son. Participants in all sports other than varsity football should be covered by the school insurance, which is offered at the beginning of the school year. This insurance will cover the costs of athletic injuries suffered while participating in school sponsored events and the practice sessions. Varsity football is covered by a special policy since it is not included in the blanket coverage provided in the school insurance.

**PARTICIPANTS' RESPONSIBILITIES**

Student athletes are students first, and must maintain their good academic standing. Detention and after school extra help with teachers take precedence over both practice and games, and therefore athletes should avoid these conflicts. Failure to report to detention or after school extra help will result in suspension of athletic participation. The Principal will determine when athletic participation may resume. Athletes have a responsibility to attend and participate in all regularly scheduled practices and athletic contests. The athletic department and the administration will make every effort to minimize conflicts with other school-sponsored events. Should conflicts occur, however, an athlete's responsibility to her/his team must take precedence over social/recreational events. It shall be the athlete's responsibility to communicate with her/his head coach to resolve possible conflicts.

**PHYSICALS**

All participants in the athletic programs must have on file updated physical forms. No student will be allowed to participate without a Massachusetts State Health Form on file.

**REGULAR DAILY SCHEDULE**

The school day begins at 7:49 AM and ends at 2:10 PM. Students are expected to arrive at school allowing enough time to be in their classes at the start of the day. Students are normally dismissed after the last period of the day at 2:10 PM, provided they have fulfilled all of their responsibilities. In the event a student is assigned an extra-help, make-up, or detention session, it is his/her responsibility to be present at the session, which may extend until 3:00 PM.
